Let us love their faith, their life, their trials, their passion, their profession, and their teaching.”**

'The stonemason and the bricklayer are careful to use the measuring line to make sure the walls are straight. Can't we say that the virtuous lives of the saints are like a measuring line stretched over our souls to make sure our lives take the proper shape and measure up to their good example? Whenever, then, we celebrate the feast of a saint, let us look to them as giving us the pattern our lives should take' (St Anthony of Padua)
