JESUS CHRIST ~ KING OF THE UNIVERSE

Today is the final Sunday of the liturgical year, and we end the year on a high, joyfully proclaiming, that Jesus Christ is our King! *'Father, you anointed your Only Begotten Son with the oil of gladness as eternal Priest and King of all creation, so that, by offering himself on the altar of the Cross, he might accomplish the mysteries of our redemption and, making all creation subject to his rule, that he might present to you an eternal and universal kingdom, a kingdom of truth and life, a kingdom of holiness and grace, a kingdom of justice, love and peace.'*
(Preface for the feast)

THE ASSISTED DYING BILL ~ Is debated in Parliament this Friday. Please keep all our Politicians in your prayers, together with all who are sick, and those tired of life.

“God has created me to do Him some definite service. He has committed some work to me which He has not committed to another. I have my mission. I may never know it in this life, but I shall be told it in the next. I am a link in a chain, a bond of connection between persons. He has not created me for naught. I shall do good; I shall do His work. I shall be an angel of peace, a preacher of truth in my own place, while not intending it if I do but keep His commandments. Therefore, I will trust Him, whatever I am, I can never be thrown away. If I am in sickness, my sickness may serve Him, in perplexity, my perplexity may serve Him. If I am in sorrow, my sorrow may serve Him. He does nothing in vain. He knows what He is about. He may take away my friends. He may throw me among strangers. He may make me feel desolate, make my spirits sink, hide my future from me. Still, He knows what He is about.”
