

St Wilfrid's snow day indoor activity grid (Year 1)

English Writing	Maths	RE/Prayer
Poetry	Numbers 11 – 20	Epiphany
<p>Choose a family favourite nursery rhyme (example Humpty Dumpty). Read the poem together to spot the rhyming words. Make a list of these words and remember to check your phonics! (phonics maps are available on the class page)</p>	<p>Find objects around the house to build the numbers 11 – 20. Then label each number. Be sure to check your numbers are the correct way around.</p>	<p>Find a picture of the 3 wise men (or create your own) Choose some music to help you focus. Spend a few moments in quiet prayer and reflection.</p> <p style="text-align: center;"><i>God our Father, We thank you for sending your only Son to be our Saviour. Help us to know and love your truth and help us to listen to you always. Amen.</i></p>
Science	Art/craft	Other (music, PE etc).
<p>In preparation for our unit about the human body, create an outline drawing of a person (you may need an adult to help with this). Then label as many parts of the body that you know! We will be revisiting this in class so it's a wonderful opportunity to gather your ideas!</p>	<p>As we are thinking about Epiphany, I'd like you to create a crown for one of the three wise men. You can use what ever materials you have, paper, card, lego etc.</p> <p>You may like to research art work of 'The Magi' for ideas.</p>	<p>In preparation for our dance unit 'Zoo', I would like you to explore the way different 'big' animals move and travel. Explore how your body can move to create your creature. Can a family member guess what you are being?</p>
