

Catholic Agency for
Overseas Development

Resources for home learning – projects and ideas

Week beginning 22nd June

This summer, like never before, we are called to be signs of hope for our world. You can have fun taking part in Summer of Hope and raising money to help our global neighbours.

Find out more at cafod.org.uk/summerofhope

Research project:

Summer of Hope is helping to ensure people around the world have enough clean water to stay healthy in these challenging times.

What can you find out about how people keep clean and healthy around the world? How are they similar to what you do? Do any of them surprise you?

You could use the internet to research or any books you have available.

Handwashing around the world:

Find out how CAFOD helps people to learn about keeping clean and healthy:
cafod.org.uk/primary/water

Creative writing:

If you are a keen writer, why not write a poem or a prayer for people who are bringing clean water to those in need around the world.

If you prefer non fiction writing, why not write a letter or postcard to someone in another country to tell them about what you are going to do for Summer of Hope. How are you going to tell your friends and family? Do you have any handy tips you could share with others?

**If you want to
share your
work, find
CAFOD on
Facebook and
Twitter.**

Art project:

If you have written a poem, a prayer or designed a poster, why not decorate it?

**"All it takes is
one good person
to restore hope."**

Pope Francis
